

# CYBER-BULLY STRATEGIES

Use these cyber-bully tips to solve the Crossword Puzzle!

## Across

- 2 \_\_\_\_\_ a trusted adult.  
 4 Let your \_\_\_\_\_ know if the cyber bully is a classmate.  
 8 \_\_\_\_\_ your email address, account, user name and cell-phone number if the cyber bullying is threatening.  
 9 Make copies of all messages and pictures and \_\_\_\_\_ cell phone text and voice messages.  
 10 Don't \_\_\_\_\_ harmful or hurtful emails, test messages, or pictures to other people.

## Down

- 1 \_\_\_\_\_ communication through IM (Instant Message) or email lists to prevent messages from being sent to you.  
 3 If the cyber bullying appears to be criminal, contact the \_\_\_\_\_.  
 5 File a \_\_\_\_\_ with the website, internet service provider (ISP), or cell phone company through the "contact us" option so that they can investigate.  
 6 If you encounter cyber-bullying that targets someone else, save, copy and print out any examples and give them to the \_\_\_\_\_ so that they can be aware of what's happening and let them know they are not alone.  
 7 Don't contribute to a blog or \_\_\_\_\_ that makes fun of someone else.  
 9 If someone says something about you online that makes you upset, the first thing to do is \_\_\_\_\_! Don't respond to the cyber-bully.
